## Wakol Cork adhesives – very low-emission installation for all cork flooring !

### For the professional installation of flooring with special requirements

Cork flooring involves special requirements of the adhesives to be used with regard to dimensional stability, initial adhesion and durability. With Wakol, you can be sure of a tailored special product for all kinds of cork flooring. All without compromising processor and consumer protection and using state-of-the-art technology:

#### WAKOL D 3540 Cork Contact Adhesive

- For reliable bonding of all natural-cork flooring
- Also suitable for bonding natural-cork wall tiles
- Use as pre-coating permits rational working
- High installation reliability thanks to contact bonding that can immediately be subjected to load
- Great economy thanks to low consumption
- Very low in emissions, EMICODE EC1

#### WAKOL D 3513 Cork Pre-Coating

- For the pre-coating of natural-cork flooring and wall coverings by roller machines
- Pre-coating possible up to 6 months before installation
- Forms a secure contact adhesive system in combination with WAKOL D 3540 Cork Contact Adhesive
- Extremely economical thanks to very low consumption
- Very low in emissions, EMICODE EC1

#### WAKOL MS 260 Parquet Adhesive, firm-elastic

- For bonding all kinds of pre-finished cork parquet
- Makes possible the installation on underfloor heating without impairing its function
- Allows the installation of flooring on very large adjoining surfaces without expansion joints
- Reduced sound transmission
- Very low in emissions, EMICODE EC1 R

#### WAKOL D 3210 PVC Cork Adhesive

- Special product for all PVC-coated cork flooring
- One-side adhesive for simple use
- Extremely hard adhesive bed ensures the required dimensional stability
- Extremely high adhesive strength allows long-term use
- Solvent-free, GISCODE D1
- EMICODE EC1

#### Safety instead of risk

Wakol Cork adhesives have already proved themselves on millions of m<sup>2</sup> of flooring in many countries. Benefit from this unrivalled experience!
